ORDER

Case No. 21-CV-1838

In his letter of 12/8/2021, Plaintiff asks this Court to grant him relief as to an upcoming appearance in the unrelated case of Komatsu v. City of New York (20-cv-10942). This Court has no authority to interfere in a matter before another judge. This request is denied.

In his letter of 12/11/2021, Plaintiff requests an extension of time to respond to Defendants' motions to dismiss. Plaintiff is granted an extension of 30 days, until 2/20/2022. Defendants' replies are now due 3/7/2022. While the Court recognizes that Plaintiff is heavily involved in several pending litigations he has initiated, this matter must be addressed with reasonable dispatch.

The Court is in receipt of the briefings as to Plaintiff's requests for a preliminary injunction. When service is complete, the Court will address the issue of equitable relief.

The Clerk of Court is directed to mail a copy of this Order to Plaintiff.

SO ORDERED.
